Commissioner's Room / Government Services Building
Tuesday, July 11, 2023 at 8:00 AM**

I. Open Forum

Nancy Marth, a Rice County resident, brought forth the discussion of Sign Up and End time. She would like there to be some flex if there is a topic of discussion that may need more time.

James M. Fisher, a Rice County resident, wanted to thank the Landfill Staff for their hard work and efforts during the Landfill fire. James stated the debriefing was very informative and he believes it would be a great idea to have more of the public to be educated on the parameters of the landfill.

Rebecca Carson, a Rice County resident, wanted to discuss allowing the public to speak on behalf of an applicant who may not be giving the full information needed to make a final decision.

Pete Lindahl, a Rice County resident, wanted to bring forth some concerns about the main road involved in the Winjum Land Development Project. Commissioner Underdahl stated this was something that would be talked about further during the regular Board meeting.
